

FOR IMMEDIATE RELEASE

Scott Smith Takes the Helm as National Sales Manager for Fayette Pipe

Lemont Furnace, Pa., July 26, 2023 – Fayette Pipe Co. has appointed Scott Smith as its national sales manager. He will oversee the company's sales operations, develop and implement strategic sales initiatives, and nurture key customer relationships in the fire protection, HVAC, and plumbing markets.

Smith has 40 years' experience in sales, marketing, and distribution within the plumbing and HVAC/R industries with Leran Copper and Brass Co., Cambridge Lee Industries LLC, Curtis Marketing LLC, and most recently at Sunbelt Marketing Inc. as the Midwest regional manager.

"Fayette Pipe is delighted to welcome Scott as our national sales manager," Chris Gearing, vice president of Fayette Pipe, said. "His experience ensures that our American-made and melted Schedule 10 and 40 black steel pipe and black steel and galvanized nipples are effectively positioned and sold."

Smith said: "I am very excited about this opportunity at Fayette Pipe. Being part of this family-run and veteran-owned company is a great honor. I look forward to collaborating closely with our dedicated team to build upon the company's success and establish Fayette Pipe as the go-to supplier. We will foster strong relationships with our customers and ensure they receive top-of-the-line products and exceptional service."

###

ABOUT FAYETTE PIPE

Fayette Pipe, headquartered in Lemont Furnace, Pa., is a division of Specialty Conduit and Manufacturing. It's a veteran- and family-owned business producing American-made ERW black steel pipe and nipples. Fayette benefits from its parent company's more than 21 years of experience in threading, elbow, nipple, coupling production, and value-added services to create a complete solution for its customers.
